Transport Information

Getting to TC is easy. Students can access the College from a wide range of areas using a choice of Panorama school buses and Public Transport Victoria Metropolitan bus services. Buses 281, 293, 908 have stops nearby. Buses also connect to Eltham, Greensborough, Heidelberg, Box Hill, Blackburn and Ringwood train stations and to major transit points such as Doncaster Shopping town..

You must pay to travel on all school buses as per standard PTV transport and PTV rules and regulations. For more detailed information go to the following Websites: Public Transport Victoria [Home - Public Transport Victoria \(ptv.vic.gov.au\)](http://ptv.vic.gov.au). (Journey Planner on this website provides detailed public transport information and maps for across Victoria). Child MYKI

Primary and secondary school students aged 5 to 18 can travel on a [Child myki](http://ptv.vic.gov.au), and don't need to carry proof of age ID. If you're aged 17 and 18 you must carry government issued proof of age ID (such as passport, drivers licence, proof of age card), or proof of another concession entitlement (such as a PTV School Student ID or [Health Care Card](http://ptv.vic.gov.au)).

Student Pass

A Templestowe College ID card acts as a PTV Approved School Student ID Card which allows you to purchase a Student Pass. To purchase a Student Pass just show the PTV Approved School Student ID card at a staffed station or bus operator selling paper student passes. You need to provide your contact details when purchasing your Student Pass — this allows the student to visit the issuing station to obtain a replacement Student Pass if it is lost or stolen. This gives you unlimited travel on all public transport operating wholly within Victoria.

Students must carry a Student Pass and ID whilst travelling. For more information, please visit the below website:
